1. Purpose of Agreement

This agreement documents the sharing and use conditions related to data distributed by the Canadian Urban Environmental Health Research Consortium (CANUE), the intended use of the dataset(s), the Principal Data User who takes delivery of the data and accepts responsibility for ensuring these conditions are fulfilled, and the project team members who will have access to the datasets. The signature of the Principal Data User is required to fully execute this agreement. Copies of this agreement must be provided to CANUE by email (info@canue.ca). CANUE will forward copies to all original data developers as per the exposure data source contact listed in the associated metadata files.

2. Disclaimer

Data are provided "as-is". While substantial efforts are made to ensure the accuracy of data and associated documentation, complete accuracy cannot be guaranteed. CANUE makes no guarantee, either express or implied, including but not limited to, the fitness for any purpose. The Data User holds all parties involved in the production or distribution of the data harmless for damages resulting from its use or interpretation.

3. Intended Use(s)

Use of CANUE datasets is restricted to academic, research, educational, or other not-for-profit purposes.

4. Data users covered by this agreement

Principal Data User: Email Address:

Academic Affiliation:

*REQUIRED: Include the name of **Additional Project Team Members, Institutional Affiliation, Email Address**. If team members are students include their associated degree program (e.g., BA, BSc, MA, MSc, PhD, Post Doctoral)

I am affiliated with a Canadian academic institution listed in Addendum 1. *(if no, please contact info@canue.ca to identify possible study collaborators)*

I have read the associated metadata files for the indicated datasets/variables and agree to abide by the limits for data sharing and use conditions contained in each file.

I will ensure all project team members are aware of and abide by the limits for data sharing and use conditions set out in each metadata file.

I understand this agreement will be terminated immediately upon breach of, or non-compliance with, any of its terms and/or those contained in each metadata file, and that I may be held responsible for any misuse that is caused or encouraged by failure of myself or members of the project team to abide by the terms of this agreement.

I agree to provide CANUE staff with information, upon request, on how the analytical results were disseminated, i.e., published journal articles, academic or professional conference abstracts, posters and presentations, invited presentations and webinars, and project reports.
